Operative part of the judgment

The provisions of Directive 2006/126/EC of the European Parliament and of the Council of 20 December 2006 on driving licences, in particular Article 13(2), must be interpreted as not precluding national legislation, adopted in order to transpose that directive into national law, which terminates the authorisation to ride mopeds without holding a driving licence, the issue of which is subject to passing tests or examinations similar to those required for driving other motor vehicles.
