#### AS AMENDED BY THE SENATE

Passed Legislature - 2025 Regular Session

## State of Washington 69th Legislature 2025 Regular Session

By House Transportation (originally sponsored by Representatives Leavitt, Goodman, Ryu, and Berry)

READ FIRST TIME 02/28/25.

- AN ACT Relating to accountability for persons for speeding; 1 10.21.030, 46.20.2892, 46.20.391, and 46.61.500; 2 amending RCW 3 reenacting and amending RCW 43.84.092; adding new sections to chapter 46.04 RCW; adding a new section to chapter 42.56 RCW; adding a new 4 5 section to chapter 46.61 RCW; adding a new section to chapter 46.68 RCW; adding a new section to chapter 46.70 RCW; adding new sections 6 7 to chapter 46.20 RCW; creating new sections; prescribing penalties; 8 and providing an effective date.
- 9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- 10 NEW SECTION. Sec. 1. It is the intent of the legislature to 11 keep the public safe when on the road. Nationwide, 29 percent of all 12 crash fatalities occurred in speed-related crashes in 2022. In 2023, 13 more than 30 percent of fatal crashes involved speeding on Washington 14 roads. Speeding continues to be a component of traffic deaths, and 15 law enforcement is increasingly dealing with more speed-related 16 incidents. The legislature finds that all Washington drivers are at 17 risk when speeding is involved, and solutions to change public 18 behavior are needed.
- Additionally, according to the American motor vehicle administration, more than 70 percent of people with suspended licenses continue to drive during the suspension period. By

p. 1 ESHB 1596.SL

- 1 leveraging technology to enable individuals to continue driving and
- 2 prevent speeding, the legislature intends to enhance road safety to
- 3 promote safer driving habits and keep the public safe.
- 4 <u>NEW SECTION.</u> **Sec. 2.** A new section is added to chapter 46.04 5 RCW to read as follows:
- 6 "Excessive speeding" means traveling at:
- 7 (1) 10 miles per hour or greater in excess of the posted speed
- 8 limit, if the posted speed limit is 40 miles per hour or less; and
- 9 (2) 20 miles per hour or greater in excess of the posted speed 10 limit, if the posted speed limit is greater than 40 miles per hour.
- NEW SECTION. Sec. 3. A new section is added to chapter 46.04 RCW to read as follows:
- "Intelligent speed assistance device" means a technical device
- 14 designed to be installed within a motor vehicle to actively monitor
- 15 and prevent the driver from exceeding a preset limit. "Intelligent
- 16 speed assistance device" does not include any technology that is
- 17 provided by the vehicle manufacturer as a component of a new motor
- 18 vehicle and that controls or affects the speed of a motor vehicle.
- 19 <u>NEW SECTION.</u> **Sec. 4.** (1) A person may not drive a motor
- 20 vehicle, unless it is equipped with a functioning intelligent speed
- 21 assistance device, configured and programmed as provided in section
- 22 5(3) of this act, if the device is required:
- 23 (a) For the issuance of a temporary restricted driver's license
- 24 or an occupational driver's license, under the terms of RCW
- 25 46.20.391(4);
- 26 (b) Under the applicable terms of probation under RCW
- 27 46.20.2892(1) or 46.61.500(4); or
- 28 (c) Pursuant to court order under section 8 of this act or RCW
- 29 10.21.030.
- 30 (2) The requirement to use the device under subsection (1) of
- 31 this section with respect to a temporary restricted driver's license
- 32 or occupational driver's license under RCW 46.20.391 remains in
- 33 effect during the validity of any such license that has been issued
- 34 to the person.
- 35 (3)(a) A person who operates a motor vehicle with an intelligent
- 36 speed assistance device remains exclusively responsible for the

operation of the motor vehicle in a safe and lawful manner at all times.

- (b) The obligation under this section to use an intelligent speed assistance device is not a defense or mitigating circumstance to a violation of rules of the road, as set forth in law.
- (4) (a) Except as provided in (b) of this subsection, the installation of an intelligent speed assistance device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to chapter 5.50 RCW from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours. When the department receives a declaration under this subsection, it shall attach or imprint a notation on the person's driving record stating that the employer exemption applies.
- (b) The employer exemption does not apply when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.
- (5) Unless costs are waived by the intelligent speed assistance device company or the person is indigent under RCW 10.101.010, a person subject to the requirements of subsection (1) of this section shall pay the costs of installing, removing, and leasing the intelligent speed assistance device and shall pay an additional fee of \$21 per month. Payments must be made directly to the intelligent speed assistance device company. The company shall remit the additional fee to the department to be deposited into the intelligent speed assistance device revolving account under section 9 of this act, except that the company may retain 25 cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.
- (6) For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an intelligent speed assistance device by an intelligent speed assistance device company authorized to do business in the jurisdiction or within a 75 mile radius of the jurisdiction in which the person resides, provided the device meets

p. 3

- any applicable requirements of that jurisdiction. The department may waive the monthly fee required in subsection (5) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.
  - (7) The department may issue rules to implement this section.

- (2) An applicant seeking approval to install the device must submit a declaration to the department that the device is an intelligent speed assistance device as defined in section 3 of this act and, when installed in a vehicle, is configured and programmed as provided in subsection (3) of this section.
- (3)(a) An intelligent speed assistance device must employ a technology using a global positioning system and must be programmed to limit the velocity of a moving vehicle to the posted speed limit, except as provided in (b) of this subsection.
- (b) The intelligent speed assistance device must include an override function to allow the vehicle to exceed the speed limit on no more than three occasions in each calendar month. The use of the override function under this subsection is subject to the requirements and limitations of RCW 46.61.425.
- (c) All data collected under this act must be securely maintained by an intelligent speed assistance device company and may not be shared with any third parties, except for data pertaining to installation and removal of the device, without a court order.
- (4) To maintain eligibility under this section, a person must submit the results of a criminal background check to the department annually for any individual that is hired to install, repair, maintain, monitor, or remove the device.
- 32 (5) The department may issue rules regarding the application 33 process and eligibility under this section.
- NEW SECTION. Sec. 6. (1) A person who is restricted to the use of a vehicle equipped with an intelligent speed assistance device is quilty of a gross misdemeanor if the restricted driver:
- 37 (a) Tampers with the device or any components of the device, or 38 otherwise interferes with the proper functionality of the device, by

- (b) Has, directs, authorizes, or requests another person to tamper with the device or any components of the device, or otherwise interfere with the proper functionality of the device, by modifying, detaching, disconnecting, or otherwise disabling it to allow the restricted driver to operate the vehicle.
- (2) A person who knowingly assists another person who is 8 restricted to the use of a vehicle equipped with an intelligent speed 9 assistance device to circumvent the device or any components of the 10 11 device, or otherwise interferes with the proper functionality of the 12 device, or to start and operate that vehicle is guilty of a gross misdemeanor. The provisions of this subsection do not apply if the 13 14 starting of a motor vehicle, or the request to start a motor vehicle, equipped with an intelligent speed assistance device is done for the 15 16 purpose of safety or mechanical repair of the device or the vehicle 17 and the person subject to the court order does not operate the 18 vehicle.
- NEW SECTION. Sec. 7. A new section is added to chapter 42.56 20 RCW to read as follows:
- 21 Any data collected by an intelligent speed assistance device as 22 defined in section 3 of this act is exempt from disclosure under this 23 chapter.
- NEW SECTION. Sec. 8. A new section is added to chapter 46.61 25 RCW to read as follows:

When sentencing a person convicted of any criminal offense under this chapter or a violation of any other provision of law that constitutes a misdemeanor, gross misdemeanor, or felony, the court may impose, as a condition of probation, a requirement regarding the installation and use of a functioning intelligent speed assistance device installed on all motor vehicles operated by the person. If the court finds that the person engaged in excessive speeding during the commission of the offense, the court shall impose the use of a functioning intelligent speed assistance device installed on all motor vehicles operated by the person for a period of not less than six months.

NEW SECTION. Sec. 9. A new section is added to chapter 46.68
RCW to read as follows:

The intelligent speed assistance device revolving account is created in the state treasury. All receipts from the fee assessed under section 4(5) of this act must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used for administering and operating the intelligent speed assistance device revolving account program, implementing effective strategies to reduce motor vehicle-related deaths and serious injuries related to excessive speed.

- NEW SECTION. Sec. 10. A new section is added to chapter 46.70 RCW to read as follows:
  - (1) A manufacturer, distributor, or retailer of a motor vehicle is not liable for any loss, injury, or damages caused by the design, manufacture, installation, improper installation, use, or misuse of an intelligent speed assistance device. However, liability does exist if the manufacturer, distributor or retailer knowingly engages in a repair or update to the intelligent speed assistance device and such repair or update proximately causes loss, injury, or damage.
  - (2) Nothing in this chapter requires a manufacturer, distributor, or retailer of a motor vehicle to manufacture, distribute, or offer for sale a motor vehicle that includes or is compatible with an intelligent speed assistance device.
    - (3) Nothing in this chapter prohibits a lessor or lienholder from requiring that a motor vehicle lessee or owner notify the lessor or lienholder that an intelligent speed assistance device has been installed on a motor vehicle that is subject to a lease or finance agreement.
- **Sec. 11.** RCW 10.21.030 and 2018 c 276 s 4 are each amended to 30 read as follows:
  - (1) The judicial officer in any felony, misdemeanor, or gross misdemeanor case may at any time amend the order to impose additional or different conditions of release. The conditions imposed under this chapter supplement but do not supplant provisions of law allowing the imposition of conditions to assure the appearance of the defendant at trial or to prevent interference with the administration of justice.
- 37 (2) Appropriate conditions of release under this chapter include, 38 but are not limited to, the following:

- 1 (a) The defendant may be placed in the custody of a pretrial release program;

(1) (a) Whenever the official records of the department show that a person has committed a traffic infraction for a moving violation on three or more occasions within a one-year period, or on four or more occasions within a two-year period, the department must suspend the license of the driver for a period of 60 days and establish a period of probation for one calendar year to begin when the suspension ends. Prior to reinstatement of a license, the person must complete a safe driving course as recommended by the department. During the period of probation, and subject to the requirements of (b) of this subsection, the person must not be convicted of any additional traffic infractions for moving violations. Any traffic infraction for a moving violation committed during the period of probation shall result in an additional 30-day suspension to run consecutively with any suspension already being served.

- (2) When a person has committed a traffic infraction for a moving violation on two occasions within a one-year period or three occasions within a two-year period, the department shall send the person a notice that an additional infraction will result in suspension of the person's license for a period of 60 days.

- (4) For purposes of this section, multiple traffic infractions issued during or as the result of a single traffic stop constitute one occasion.
- (5) A person who is required to operate a motor vehicle with an intelligent speed assistance device under subsection (1) of this section remains exclusively responsible for operation of the motor vehicle in a safe and lawful manner at all times. The obligation under subsection (1) of this section to use an intelligent speed assistance device is not a defense or mitigating circumstance to a violation of rules of the road, as set forth in law.
